About Us

Established in the year **2004** at **Ghaziabad, Uttar Pradesh, India**, “**Shivam Industries**” is one of the most respectable firms betrothed in **Manufacturing** and **Supplying Automobile Filters, Oil Filters, Automotive Parts** etc. Our products are appreciated for their optimum functionality, user friendliness, easy to install nature, accurate dimensions and longer service life. These are fabricated at our state-of-the-art manufacturing unit utilizing advance technologies and quality tested components. We fabricate these products in various specifications and can be customized as per the client’s needs and demands. The raw material we use in the production process is procured from the reliable vendors of the market in order to ensure quality and high performance. Further, we have deployed a team of quality controllers, who thoroughly check each and every product on various parameters. In a short span of time, we have become strong, reliable and leading organization in this domain. Our firm has crossed many obstacles in the path of success by following fair business techniques and policies. We have an aim to provide complete satisfaction to our precious clients at every aspect and reach apex of success in the market. Our professionals work in close coordination with each other as well as clients in order to provide world class products. We have established a wide distribution network and manufacturing unit, due to which, we are able to...
