## About Us

We, “**Necon Healthcare**” was incepted in the year **2010** in **Surat (Gujarat, India)**, and identified as the prominent **manufacturer, trader, wholesaler and supplier** of premium quality **Pharmaceutical Tablet, Pharmaceutical Syrup, Vitamin Supplement Medicine**, etc. Our offered medicines are widely appreciated for high effectiveness, zero side effects, quick results, accurate composition and long shelf life. All our offered medicines are processed using the supreme quality chemical compounds that are sourced from the most authentic vendors of the industry. These medicines are precisely processed in complete compliance with the medical industry standards. We also assure that products that reach the market comply with the set industry norms. In addition to this, each product is strictly tested against various quality parameters by our quality controllers. We also lay emphasis on packaging & delivering of these medicines to assure their safe delivery.

To process the finest quality grade of medicines, we have established a huge infrastructure facility which is well-equipped with the latest manufacturing technology and machines. We have segregated our infrastructure into various units like procurement, production, quality testing, research & development, warehousing & packaging which assist us to carry out our day-to-day business operation in a smooth manner. Besides, our well-facilitated infrastructure assists our...
