About Us

Incepted in the year **2007**, **Shivani Packer & Movers** is counted amongst leading companies for providing **Packing Services, Loading Services, Unloading Services, Unpacking Services, Goods Insurance Services, Car Transportation Service** and many more services. We are **Partnership** based firm which aims to provide complete satisfaction to the customers by matching or exceeding their needs. While loading the goods we observe certain distinctive precautions like all items having religious significance are labeled and placed on top so that no one inadvertently steps on them. Based on the overall size of the consignment and convenience of our clients we provide customized relocation solutions to the customers. We are also known in the market to render unpacking services as we realize that unpacking is also a tedious and technical job. Being best transportation company we use the international quality packing material to protect the goods from moisture, damage, dust and many more. The services of our company are widely known for their effectiveness, longer service life, accuracy and many more. We provide services to the customers as per the industry standards and at industry leading prices. ...
