About Us

Located in Gujarat, **Shivdhara Industries** is efficiently led by **Mr. Jayshukhbhai Patel** (Owner). The company has grown magnificently well under their guidance and is still rising at a rapid pace. We have covered several International locations such as Nigeria, Sudan, Ghana, Sri Lanka and India.

Excellent In-house Facilities :

We are sprawling over 20000 sq. ft. and our infrastructure has Procuring Unit, R&D Unit, Manufacturing Unit, Warehouse, QA Unit, Packaging Unit and Logistics Unit. We have segregated units in our infrastructure as per the functionalities. Our investment in the production unit has paid off well and we are able to cater to the diverse demands of the customers.

“The Best Team Brings Out The Best Results”

Our team has Administrators, Sourcing Agents, Production Managers, Engineers, Trained Workers, Quality Auditors, Marketing and Sales Executives, Warehouse Experts and Logisticians. Our team members make every attempt to deliver the engineer precision Products in the set time span.

Points To Ponder :

- Wide range of Industrial Products
- Stringent check on Manufacturing process
- Skilled and efficient workforce
- Vigil supervision of veteran team members
- Use of finest grade raw components
- Transparent business deals
- Well-organized logistics...
