**"Shiv Engineering And Consultant"** are one of the prominent **Manufacturers, Wholesaler, Trader, and Service Provider** of **Commercial Sound Solutions, Industrial Sound Solutions, Sound Proof Canopies and much more.**

## About Us

Established in the year **1995**, "**Shiv Engineering And Consultant**" are one of the prominent **Manufacturers, Wholesaler, Trader, and Service Provider of Commercial Sound Solutions, Industrial Sound Solutions, Sound Proof Canopies, Designer Chair, Ceiling Fixture and much more**. Our Product range comprises of Commercial Sound Solutions, Industrial Sound Solutions, Sound Proof Canopies and many more.

To fabricate the excellent range available with us, we have an expansive infrastructure that includes a production unit, a quality testing laboratory and a warehousing facility. These units are manned by experienced professionals who are counted among the best in their respective fields. They work diligently to manufacture a range that is deemed best-in-class throughout the industry, and is well received in the market. We conduct numerous tests on the range offered by us to ensure uniformity of quality throughout the range. Our services are developed keeping in mind the individual needs of the customers, and to provide the most effective and cost efficient solutions to the clients' needs.

Our organization is headed by **Mr. S. K. Saini**, who has rich industry experience and is considered the best in this highly competitive industry. He has guided in achieving the goals set for us, and has directed us in successfully completing all endeavors undertaken by the organization. Under his supervision, we have moved from...
