In order to repair any mobile cell phone through circuit, we must know ...

## About Us

Shivkrupa Communication was established in the year 2005. We are leading Trader, Supplier and Service provider of LG Mobile Phone, Mobile Phone Repairing Service etc.

In order to repair any mobile cell phone through circuit, we must know the section in which the fault is present and different parts and components present in that particular section. If we know different parts and components present in different sections inside a mobile cell phone then we can easily repair.
