About Us

Established in **2016**, we **Shivshakti Asbesto And Industrial** are a trusted and prominent manufacturer and trader of a broad range of Asbestos Fibre, Insulation Material, Insulated Sheets, Millboard Sheet, etc. These products are designed by utilizing high-grade input factors. Offered products are highly appreciated across the market for their damage resistant, perfect finish, low maintenance, high performance and longer service life. Additionally, these assortments are offered to the clients at very affordable rates. Our provided products are highly admired by the electrical and electronics industries. We have our own brand named **Thermo Power**. To design the offered products as per the set industry rules, we have developed a new technology based infrastructure facility at our premises. Our professionals are selected through industry approved selection procedures. Further, for hassle-free execution of all our business, we have segmented this facility into various units. To achieve our organizational objectives, our professionals are working with full dedication. Under the valuable supervision of our mentor **Mr. Rajendra Sharma(Proprietor)**, we have attained such a top position in the market. Due to his excellent management skills and vast industry experience we have been able to cater the diverse demands of our client base in an effective manner.
