<https://www.indiamart.com/shredamodharmachining-solutions/>

We are reckoned as a leading organization supplying and trading an advanced range of Milling Insert CNC Milling Machine, Carbide Cutting Tool and many more. All our offered products are procured from reliable vendors in the industry.

About Us

Shre Damodhar Machining Solutions is a leading organization in the industry which has been successfully operating in the industry from the inception of the organization. Our organization came in to existence in the year **2008** as a **sole proprietorship** organization that has been functioning as a **supplier and trader** in the industry. We are dealing in the technologically advanced range of products including **Turning Insert, Milling Insert, CNC Milling Machine, Carbide Cutting Tool** and many more such products, which are widely demanded in amongst our clientele. We are operating under registered address from **Chennai in Tamil Nadu, India**; but our units are spread over many places in the state of Tamil Nadu and neighboring states. The products offered by us are widely applauded in the market for the quality we have been delivering through our products. Also we are concerned and curious about the client's demands and requirement and try to provide their required products. Through these products, we have been able to carve a niche in the market creating a separate standard for the product range that we are offering and are best in the industry. We have also been able to build up a strong hold in the industry. We are successfully operating under the leadership of our mentor **Mr. Krishna Kumar. D (Application Engineer)**. He is an able manager and has always guided us and directed all the activities towards attaining the...
