About Us

Shree Babu Ram & Company was established in the year 1981. We are leading Manufacture and Supplier of Asafoetida Powder, Strong Asafoetida etc. We hold immense expertise in fulfilling the diversified demands of the customers by bringing forth hygienically processed asafoetida powder. Ideally a part of the ferula species of plants, the range is extracted from the living rhizomes & tap roots of the herb. Recognized for excellent medicinal value, a pinch of asafoetida when added to a food item imparts excellent flavor & aroma. Offered in customized packaging options, our range is appreciated for unique flavor, zero side effects on health and excellent antimicrobial properties that help combat infectious diseases.

Our product is used for to add flavor to food and also give relief for stomach problem. Processed by our experienced and knowledgeable professionals under favorable conditions, our product is highly valued and demanded for various purposes. In order to meet the diverse needs of clients, the product is offered in various specifications at market leading price. These products make under the leadership of industry experts
