We are leading manufacturer, supplier and exporter of a comprehensive chiller and chilling plant. Our range are used in oil & gas, plastic, food and beverages, pharma chemical, diamond, anodising and many more industries.
About Us

Established in the year 1998, we, “Bhagvati Refrigeration Service”, are a professionally managed firm involved in manufacturing, exporting and supplying an efficient range of Chillers and Chilling Plants, Chilling Units and Cooling units. The range, which we offer is manufactured in compliance with the quality standards set by the industry. Owing to their sturdy construction, optimum performance and energy efficiency nature, these conditioners find their extensive applications in hospitals, residences, offices, textile industries, chemical industries, tile industries and laboratories.

With the help of our advanced technology, we have been able to accomplish perfection in the manufacturing of these air chillers and conditioners. We have made large investments to develop our state-of-the-art infrastructure to deliver high quality products to the customers. High tech machines and industrial capacities have been installed to fulfill an ever-growing client requirements for quality air chillers and conditioners. Moreover, the team we have appointed is highly skilled and experienced in this domain, which allows to execute all the assigned task in an efficient manner. It is due to the perfect combination of our sophisticated infrastructure and efficient workforce that we have been able to muster a huge clientèle across the country. Furthermore, to maintain hassle-free monetary transaction, we offer easy payment modes such as...

CHILLING PLANT UNITS

- Cold Room Unit
- Industrial Screw Chiller
- Industrial Chiller
- Air Cooled V Shape Chiller

Products We Offer
COOLING COIL & CONDENSER

Products We Offer

Cooling Coil

Heat Exchanger Coil

Condenser Coil

Cooling Coils & Condensor
SHELL & TUBE CONDENSER

Shell & Tube Condenser And Chiller

Shell Type Condenser

Shell Tube Type Condenser

Chillers

Products We Offer
NEW ITEMS

- Refrigerated Van
- Cold Room
- Refrigerated Van
- Water Cooler

Products We Offer
OTHER PRODUCTS:

- Air Cooled Chiller
- Chilled Water Coil
- Evaporator DX Coil
- IBT Coil
