REACTORS & MIXERS

Ribbon Blenders

Unfired Pressure Vessel

Batch Reactor

Continuous Stirred Tank Reactor
DISTILLATION UNITS

Simple Distillation

Fractional Distillation

Steam Distillation

Vacuum Distillation
HEAT EXCHANGERS & CONDENSERS

Falling Film Exchangers & Evaporators

Water Cooled Surface Condenser

U Tube Heat Exchanger

Liquid Coolers & Condensers
INDUSTRIAL FILTERS

Agitated Nutsche Filter

Sparkler Filter

Basket Filters

Candle Filters
OTHER PRODUCTS:

- Plug Flow Reactor
- Jacket Crystalliser
- Half Coil Jacket Crystalliser
- Packed Distillation Column
OTHER PRODUCTS:

Hair Pin Double Pipe Heat Exchangers

Vapour & Liquid Separator

Separator

Bulk Tank
