About Us

Shree Krishna Polymers was established in the year 2008. We are importer, supplier, distributor, wholesaler and trader of PEEK Rod, PEEK Heat Shrink Tubing, PEEK Bar, PEEK Sheets, PEEK Nuts, PEEK Tubing (HPLC), PEEK Bushes, PEEK Tubes, PEEK Components and PEEK Ring. All these products are rigorously tested on well defined parameters by the team of proficient professionals to make sure that every single product is in compliance with the international quality standards and norms. We are working as agent for multinational manufacturer of semi finished products for high performance engineering plastics. Currently we are supplying to nearly 100 of well established end users in South India and North India. Our untiring efforts and dexterity have helped us in adding some of the most reputed clients to our list.

Quality is our forte and we make all possible efforts to deal in a range that adhere to set standards. As a part of the quality policy, we source quality products trusted vendors of the market. Throughout the existence of our company, we have been strongly backed by the efforts of our prolific team members. To enhance their satisfaction level, we also indulge in transparent dealings with them by following ethical business practices. Our efforts to relentlessly improve the product range and to strengthen our relation with customers has helped us to attract various clients.
