About Us

Welcome to the world of high quality brass products. Shree Nath Metals is the leading manufacturer and exporter of all types of Brass products. This site displays the wide range of brass products that we manufacture.

We have more than 21 years of experience in manufacturing and exporting all types of Brass products. In the last few years we have been growing at fast speed in Domestic as well as International Market..

We are catering to an ever-increasing demand of variety of brass components for various industries such as Brass Auto Parts, Brass Compressor Parts, Brass Gas Parts, Cam Locks, Brass Electronics Parts, Brass Electrical Parts, Brass Sanitary Parts, Brass Forging Parts, Brass precision Components, Plastic & rubber Moulding inserts, brass Engineering Parts, Brass Pnuematics Parts, Brass Fasteners etc.

We have sophisticated manufacturing facilities and a team of highly qualified, motivated & experienced staff in production and sales to meet customer's ever growing quality and service expectation.

Our products are exported to Europe, USA, Australia, and South East Asia & Gulf Countries. In addition to the wide range of products the company offers innovative logistics systems for all types of Brass Components.
