About Us

The Tata group comprises over 100 operating companies in seven business sectors: communications and information technology, engineering, materials, services, energy, consumer products and chemicals. The group has operations in more than 80 countries across six continents, and its companies export products and services to 85 countries. The total revenue of Tata companies, taken together, was \$100.09 billion (around Rs. 475,721 crore) in 2011-12, with 58 percent of this coming from business outside India. Tata companies employ over 450,000 people worldwide. The Tata name has been respected in India for more than 140 years for its adherence to strong values and business ethics.
