About Us

We “**Shree Auto Electronics,**” established in the year **2000** are a renowned **Manufacturer** and **Supplier** of comprehensive range of **Digital CDI Unit, Electronic Buzzer, Electronic Flasher, Ignition Pickup Coil, Starting Coil, Light Coil, Ignition Coil, Electronic Grill Ignitor, Starter Relay, Ignition Condenser, Carbon Brush, Starter Plate Assembly, Wiring Harn,** etc. Our product range is widely demanded and used in automobile industry. We also trade all types of Spare Parts. Under the leadership of our **Proprietor “Mr. Santosh Madane”**, we have able to carve out niche in this domain. Situated at Pune (Maharashtra, India), we have set up a state-of-the-art infrastructural base that includes structural units such as procurement, manufacturing, quality testing, warehousing & packaging, sales & marketing and logistic & transportation. All these units are equipped with all the essential amenities allowing us to manufacture reliable range of products. To run all structural units and to maintain streamline production, we have hired a dexterous team of professionals.

Levering on global quality standards, our production team precisely manufacture products with the aid of modern technology. We make optimum use of high grade raw material in the production process. The offered product range is highly demanded for features such as optimum functionality, easy installation, longer working life and high...
