

Shree Balaji International

<https://www.indiamart.com/shreebalajiinternational/>

Taking advantage of our renowned vendors, we are one of the predominant distributors, traders and suppliers of wide range of **Corporate Gifts and Consumer Durables**. These products are appreciated for their quality and reliability.

About Us

Clients are faced with innumerable choices regarding to various gift items and consumer durables. In order to serve them with superior quality products at industry leading prices, we started our operations in the industry. Henceforth, we, “**Shree Balaji International**” were established in the city of **Mumbai**, the commercial hub of **Maharashtra (India)**. We are driven by the policy of maintaining the consistency of quality in all our products and services. Thus, we ensure to confirm the international quality standards of our products that are procured from our vendors. Our manufacturers make use of high grade quality raw materials, coupled with the most advanced technology to engineer these products. Thus, our clients can avail from us flawless range of products at most affordable costs. Being a client centric organization, we always give utmost importance to heed to the variegated needs and requirements of our clients. For that purpose, we conduct various market surveys and studies and determine the current tastes and preferences of our clients. Henceforth, we offer the most appropriate products. In this way, we have succeeded in gaining their optimum level of satisfaction at all times. Our company is able to strive successfully in this highly vibrant industry under the able leadership and guidance of our mentor, **Mr. N. K. Singh (Owner)**. He has invested his vast industry experience and enriched product knowledge. Thus, we are...
