

Shreeji Chem Enterprises

<https://www.indiamart.com/shreejichem-enterprises/>

We are widely acknowledged as one of the eminent processors and suppliers of bituminous primer. In addition, our professionals provide effective services for acid proof coatings, acid proof linings and chemical resistant flooring.

About Us

Established in the year **1984**, we, '**Shreejichem Enterprises**', are a prime processor and supplier of premium quality **Acid & Alkali Resistant Mortars**. The vast assortment offered by us includes **K-Silicate Mortar, Furane Mortar, CNSL Mortar, Phenolic Mortar, Sulphur Base Cement, Epoxy Resin Mortar** and **Polyester Resin Mortar**. Clients can avail these in various specifications as per their choice. Apart from these, we are engaged in providing services such as **Chemical Resistant Floorings, Acid Proof Coatings & Linings**. We have set up a highly advanced infrastructure that enables our skilled professionals to bring forth a supreme quality collection. Besides, it comprises well developed units that are adequately equipped with essential amenities and sophisticated machinery. The perfect blend of these hi tech machines and our dexterous professionals enables us to bring forth an array that effectively caters to the diverse requirements of the clients. These products are stringently tested by the experts on varied quality parameters, so as to confirm their compliance with the industry norms. Further, we strictly abide by our ethical business practices due to which, we have gained immense trust and confidence of our valued customers. Owing to the tremendous support & guidance of our mentor '**Mr. Ramesh B. Soni**', we have been able to ensure utmost contentment of the clients by providing them an...
