Shreeram Switchgears

<https://www.indiamart.com/shreeramswitchgears/>

We are a renowned supplier of electrical equipment and accessories like plug in sockets, relay modules, copper lugs, pvc channels, digital timer, temperature controller counter that find wide application in the electrical industry.

About Us

Established in the year 2004, **Shree Ram Switchgears** is a trusted name that is engaged in supplying a wide range of **electrical equipment and accessories like electric fans, fluorescent lights, indicator lights, temperature controllers, plug in sockets, relay modules, copper lugs, pvc channels, etc.** Sourced from reputed vendors of the market, our equipment and accessories are widely used in the electrical industry. To cater to the various requirements of different industries, we get these products customized from our vendors. To ensure optimum quality of these accessories, our vendors manufacture these in accordance with the international standards of quality. Our team of procurement agents tests these products at the manufacturer's premises and then only procures these for further supply. We are progressing under the leadership of our owner **Mr. Dinesh Dhedhi**, who has rich knowledge of the domain and vast industry experience of **5 years**. His professional approach has helped us in establishing a strong position in the market and gaining a vast clientele all across the country.
