About Us

Welcome Dear Customer..!!

Shree Vigneshwara Electricals has been providing excellent electrical maintenance services and motor rewinding services in and around Bangalore for over 17 years. We meet the needs of our clients for every project by working hard and using our years of industry experience. We have expertise in rewinding AC/DC, Submersible pump motors. We provide industrial and domestical sales and services as well. For any industrial visits for electrical maintenance work you can always reach out to us. Electricity and wiring are dangerous and shouldn't be installed or manipulated without experience. Our electricians are all certified in the field and know how to complete your electric project safely, quickly, and attractively. Call one of our professional electricians today and leave the hard work to us. At Vigneshwara Electricals, we always ensure the best quality of job is delivered to our customers at best cost.
