About Us

Shri Guruji Industries was established in the year 2013. We are the leading Supplier, Exporter and Manufacture of Natural Kumkum Powder, Turmaric Powder, Rangoli Colour Powder etc. These are manufactured by using premium-grade ingredients to attain high level of efficacy in making environment fragrant.

Reliable & advanced production techniques are utilized to minimize the breakage of stick during the manufacturing, leading to reduction in the cost involved. Further, our Incense Sticks have a huge demand in the market owing to their matchless scent, minimum ash, mind-soothing property, environment friendly combustion, etc.
