## About Us

Shri Hari Industries was established in the year 2003. We are leading Wholesaler, Trader & Supplier of the products like Empty Cement Bag, Old Cement Bag, PP Cements Bags, HDPE Cement Bags, PP Valve Bag, PP Woven Bag, etc. These products are made using optimum-quality raw-material at ultramodern infrastructure facility. The offered bags are made under the assistance of skilled designers who are well versed with the latest market trends and developments.

The offered products are moisture-proof and can be availed from us at budget friendly price within the committed period of time. These bags are available in a variety of sizes, dimensions and other specifications to our clients from every nook and corners of the country. These products are widely used in the construction industry for their effective standardization with globally approved parameters of the industry.
