We are one of the leading manufacturers & exporter of Tiles, Pavers, Bricks and Construction Material. These products are known for their durability, easy installation and crack resistance. **We are looking queries from Singapore.**

About Us

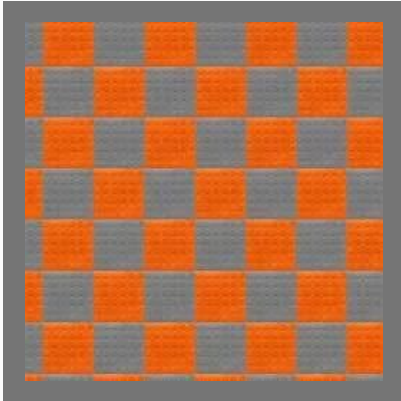

Established in the year **2007**, we, "**Shri Sairam Pavers & Tiles**", are one of the renowned manufacturers and suppliers of **Tiles, Pavers, Bricks and other Construction Material**. These products are manufactured as per the requirement of patrons by making use of premium grade raw material. Offered in different specifications, these products are appreciated for their dimensional accuracy, crack resistance, durability and easy installation. Apart from this, all our products are thoroughly checked by expert quality controllers for assuring their compliance with industry norms & standards. **We are looking queries from Singapore.** Backed by a state-of-the-art infrastructure, we are capable of providing our customers with an extensive range of products as per their requirements & demands. Our infrastructure is installed with latest technology and machinery that are required for carrying out business operations smoothly and accurately. We also have a team of expert professionals, which works in sync with the customers for understanding their ever growing needs in a better way and offer the products accordingly. To deliver the consignment on-time at clients' destination, we have a wide distribution network. Further, all the above mentioned factors have enabled us to serve many reputed customers across the nation. With the supervision of our managing director, "**Mr. M. Kanagaraj**", we are able to rise and...
