Shri Bajrang Steel Works

<https://www.indiamart.com/shribajrangsteelworks/>

We are prominent in the industry due to our ability of providing reliable services of Fiber Stage Decoration and many others. Our company has earned recognition in the market by providing desirable services to the clients.

About Us

Promising to make unforgettable celebrations, we, Shri Bajrang Steel Works bring in a wide array of **Wedding Canopy, Iron Truss, Iron Stage, Fiber Stage, Wedding Gate** and many more and also provide services for **Mandap Decoration, Varmala Theme Decoration** and many other services. The company was formed in 2002 as a sole proprietorship firm and has established its name in the list of well-known organizations by providing desirable services to the clients. Our services are reckoned amongst the clients for their outstanding features, which includes attractive appearance, quality bound, theme based, reliability and many more. From creating traditional to contemporary ambiance, our experts take best care of it all. Moreover, our service range efficiently meets all the size as well as budget, practice space constraints and is customizable easily according to the specific requirements of clients. In our entire business efforts, we are enjoying the support of experienced management personnel and even planning team, whose specialized domain expertise has helped us in providing an extraordinary touch to the event. We also give special attention to each detail provided by the clients, with a view to satisfy them immensely.

Under the skilled and prudent guidelines of **Mr. Gaurav Khunteta**, our company has successfully marked a desirable status for itself in the industry. With his rich industrial experience, expert managerial skills and visual approach, we...
