Shrikrishna Global Research Institute Pvt. Ltd. is a fresh venture of Krishna Group (engaged in diversified human development initiatives since 1989).

About Us

Shrikrishna Global Research Institute Pvt. Ltd. is a fresh venture of Krishna Group (engaged in diversified human development initiatives since 1989). Started with Shrikrishna Career Academy engaged in linguistic skills and personality development initiatives in 1989, the Group is now engaged in businesses like corporate training, career building, health care initiatives, motivational programs, individual and family counselling. Shrikrishna Global Institute Pvt Ltd has been established to expand the training business beyond local, state and national boundaries. Through research (formal and informal) based learning & development initiatives, we desire to support business world so as to qualitatively improve efficiency and productivity of the human resource and related business processes.
