About Us

Shri Sai Plastic was established in the year 2007. We are the leading Manufacturer & Supplier of PVC Film, PVC Pouch, PVC Hanger Bag, Cosmetics Pouch, etc. The films provided by us are widely used in numerous industries for laminating various products and keep them safe from any kind of damage. Offered products are highly acknowledged for their diverse attributes such as eco friendliness, fine finish, excellent strength, moisture resistance properties and uniform thickness.

Besides, we provide these lamination films in large quantity within promised time frame. Suitable to carry all the cosmetic items & made from finest material and advanced stitching machines, these cosmetic bags are valued for their unmatched quality. These cosmetic bags are provided at pocket friendly rates.
