## About Us

We **Shubham Acqualink (India) Private Limited** started in the year **2001**, are one of the foremost **manufacturers** of an extensive array of **Industrial Storage Tank, Underground Water Tanks, Water Tank, Steel Tank, Glass Fused Steel Tanks and more**. Designed by the use of excellent quality material, these are available in several sizes as per the exact requirements of our customers. Our product range is appreciated by our customers owing to their lightweight, simple design, easy to use, reasonable price and long-term durability.

Shubham Acqualink (India) Private Limited is an 18-year-old company focused on water storage and water management solutions. Started with an idea of providing hygienically clean water tanks to Indians, we have over the last 18 years created milestones in providing innovative technologies to Indian customer (domestic and industrial). In the process, we have established brand Kingspan Rhino Tanks which is acknowledged quality leader in their respective lines of business.

Under the headship of our mentor **Mr. Sunil Uplap**, our organization is moving ahead in this cutting-edge competition. He, with his knowledge and expertise, has enabled us to cater to the demands of customers.
