Shyam Industries

<https://www.indiamart.com/shyam-industries-mumbai/>

We are a prominent manufacturer, exporter and supplier of **Plastic Molded Products & Stainless Steel Cloth Stand**. Our products are appreciated by many customers for being leak proof, wear & tear resistant, sturdy and durable.

About Us

Established in the **year 1981**, we, "**Shyam Industries, Vasai**", have pioneered in manufacturing, supplying and exporting **Plastic Molded Product and Accessories**. We offer to the clients a huge assortment of thick wall injection molded carboys accessories right from our origination. Our sister firm "**Jay Khodiyar Industries**" (originated in 1991), is also a reliable manufacturer of thin wall injection molded microwavable food containers & boxes. We also offer plastic molded packaging products & articles, food & plastic disposable cutlery and plastic disposable packaging. Our products are manufactured with **FDI and SSI** approved plastic and modern techniques. Our advanced infrastructure has helped us serve our clients an extensive gamut of products. These products are manufactured in compliance with the international standards and thus, asked by different customers spread across the nation. Our trained quality controllers and technical staff leave no stone unturned when it comes to offer international quality products to the clients. These professional test our products right from beginning of manufacturing process till their final delivery. Moreover, our prompt deliveries, customer-oriented approach and ethical business practices have earned us the trust of many customer spread across the national markets. Some of the esteemed named from our client list includes **Silver Enterprise** and **Kamal...**
