Saurabh has two missions in his life – to see INDIA and to make every camera owner a great photographer. He has travelled far and wide across the country capturing the flavour of the place he visits.

## About Us

Saurabh has two missions in his life – to see INDIA and to make every camera owner a great photographer. He has travelled far and wide across the country capturing the flavour of the place he visits.

He has been trained in Photography by German Photographer – Barbara Bechloff and holds a certificate in Basic Photography from Osmania University and Advanced Photography from City of Glasgow College, UK

He was awarded honorary UPI Diploma in Photojournalism in HAN PIJESAK 2013 organised by ARTPHOTO in city – “Han Pijesak” in the country “Bosnia and Herzegovina”.

He won the 2nd Prize at International Photo Contest – ‘Objectif Sport’ conducted by Foundation Alliance Française, Paris, France.

He was selected to work with two German Photographers – Else Gabriel and Andreas Rost on a fully sponsored project to document the Role of Fisherwomen in Kasimedu village, Chennai

He also holds a Certificate for Experiential Education and Practices and Explorers Schools. He is an Eco-volunteer for Karnataka Eco-tourism. He also holds a certificate on Adventure Camp Leadership Training from ACAP (Adventure Club of Andhra Pradesh)

Saurabh guides passionate and aspiring photographers at SIA Photography through his workshops. He has trained more than 4000 enthusiasts over the past four years.

He has conducted workshops at many...
