## About Us

Siddhee Fruits was established in the year 2012. We are the leading Wholesale Supplier of All Kinds of Fruits. Our products come with a guarantee of freshness and taste and are highly demanded by people of all age groups. Their unbeatable quality has garnered a lot of praise. Whether it is raw food items with a short shelf life like fruits and vegetables or edible items that can be stored for longer time periods like bakery products, grocery items etc., we offer all items to clients under one roof. We specialize in delivering bulk items to our clients within the specified time-frame.

Client satisfaction is the most important priority for us. All our efforts are directed towards the attainment of client satisfaction by providing our clients with the best quality of products. Our spacious warehouse facility helps us efficiently store our products before delivery. Our storage area is free of dust, grime and insects and enables completely safe storage of our products. In order to preserve their freshness for longer time periods, they are efficiently packaged as well. Their quality is analyzed prior to dispatch by professional auditors. Our products are delivered to clients within the specified time-frame at economical costs. They are highly acclaimed for being fresh, pure and unadulterated.
