We at sigma specialize in designing innovative and fail-safe products with single minded aim of energy saving. Our product range consists of energy saving luminaries with stainless steel reflectors and lighting mast towers.
About Us

Established in the year 2000, at Kolkata, West Bengal, India, we, “Sigma Search Lights Limited”, are a Sole Proprietorship (Individual) firm, engaged in manufacturing and exporting of a wide range of Innovative Energy Saving Luminaries & Fixtures. Our offered range includes Standard Flood Lights, Equipment Lights, Workshop Lights, Security Search Lights, Street Lights, Maintenance Lights, Telescopic Tilting Type Towers, Tilting Type Tower and High Mast Tower.

Leveraging on our advanced infrastructure and dexterous team of expert professionals, we are able to offer superior quality product range that is used in Mining & Engineering Industry and Ships in general & Warships in particular. These are designed and developed as per the defined quality standards, ensuring satisfaction of our valued clientele that includes Neyveli Lignite Corporation Ltd., Steel Authority of Indian Ltd., Rashtria Ispat Nigam Ltd and National Mineral Development Corporation Ltd. Our quality controllers ensure that all the business operations are carried out as per the guidelines stipulated by the registered bodies. They also keep a strict vigil on each and every manufacturing process, to ensure that only a defect free range is dispatched in the national as well as international markets. Under the able guidance of our mentor, Mr. Divesh Mehta, we have carved a niche for ourselves in this industry. His...
