Providing web design and development, photography, films and documentaries, research and development etc.

About Us

In the year **2012**, **Signage Factory** was commenced as an eminent **manufacture, trader, importer and exporter**. Our main work place is located at **Coimbatore, Tamil Nadu**. We briefly researched on the entire assortment of our products includes **Sign Board, Display Stand, 3D LED Acrylic Letter** and many more. We are **Sole Proprietorship (Individual)** based venture. We timely modernize all the production machineries and equipment to keep with the modern and best facilities to manufacture components to the satisfaction of our customers.

The company is a sister venture of 3S Manufactures & Exports which is a very well established manufactures of signages based at Bangalore. The company was framed with a single motive to support 3S Manufactures & Exports with all the branding and print related contracts initially, Later the company has grown in size and deliverables and in volumes.

At the current growing scenario, Signage Factory has capacities to cater Tamil nadu, Karnataka and Kerala. With the growing number of companies of its parent AD VOICE and the complete strength in holding control over various outdoor media, we would comfortably support requirements which are required in par with the top class Industry standards.
