Siltech Corporation Inc.
https://www.indiamart.com/siltechcorporationinc/

We are one of the leading manufacturers, suppliers and exporters of Membrane Switches, Membrane Keypads and Conductive Ink & Paints. These are widely used in Telecommunication, Automation and Automobile Industries across the globe.
About Us

We, Siltech Corporation Inc., are renowned manufacturers, suppliers and exporters of an extensive range of Conductive Products like Conductive Paste/powder, Membrane Keypad like Membrane Keypad, EMI & RFI Shielding, PCB Repair Kits and Plating Paints, etc. Widely appreciated for their high functionality, energy efficiency and resistant to electric fluctuations, these products meet the requirements of Telecommunication, Automation and Automobile Industries. With the support of our professionals, and state-of-the-art manufacturing unit, we ensure to offer quality and technologically advanced range of Membrane Switches, Conductive inks & paints. Quality being our forte, we also ensure that each stage of production is stringently monitored by our quality controllers, so that only defect free goods are offered to our clients. Furthermore, backed by sophisticated warehouse, we store bulk stocks without any difficulty under most safety conditions. In this way, we deliver the ordered consignments within the stipulated time frame. Our organization is run by our mentors Mr. Kumar Ghorpade and Mr. Manjunath. Owing to their dedication and hard work, we have scaled greater heights of success. They play a vital role in guiding our team in acquiring a respectable position in the global arena.
