We are the prominent Manufacturer and Supplier of premium quality range of Guar Gum Machinery, Material Grinding Equipment, Material Mixing Equipment, Material Handling Equipment, etc. These are known for their high performance and less maintenance.
About Us

Incepted in the year 1983, in Ahmedabad (Gujarat, India), we “Silver Star Engineers” are known as the reputed Manufacturer and Supplier of premium quality range of Guar Gum Machinery, Material Grinding Equipment, Material Mixing Equipment, Material Handling Equipment, Material Cleaning Equipment, Batch Mixer Plants, etc. The offered products are manufactured using advanced technology and high quality raw material in adherence with market quality standards. Acknowledged for their features like durability, easy to use, high performance, less maintenance, robust construction and long service life, these products are highly appreciated among our clients. In order to provide the best quality, these products are checked by our quality controllers on various quality parameters. We provide these products to our clients in different specifications as per their needs.

We have state-of-the-art infrastructural set up that spreads over a wide area. This infrastructure is categorized into various sections like procurement, manufacturing, quality testing, R & D, warehousing & packaging and sales & marketing. These divided units are supervised by our professionals, who are appointed keeping in mind their experience and knowledge in the domain. Our infrastructural unit is well-furnished with all the latest machines and tools that help us to cater the bulk requirement of our clients. We regularly upgrade the...
