Singh Risk Management Services (OPC) Private Limited

<https://www.indiamart.com/singhrisk-mgmt/>

Singh Risk Management Services is Risk Management Company having operations in India, Europe, USA etc. The company offers a wide range of services and excel in Corporate Investigations, Due Diligence, Brand Protection etc.

About Us

Singh Risk Management Services is Risk Management Company based in India and England. The company offers a wide range of services and excel in **Corporate Investigations, Due Diligence, Background Check of Employees, Background Check of Businesses, Insurance Fraud Investigations, Skip Trace Service, IPR Investigations and enforcement actions, Market Survey, Undercover Operations, Surveillance** etc. We can identify and analyze the existing and potential risks to your business so that corrective actions can be taken well in time. We can also help you in establishment of an effective internal control mechanism which will help you avoid or mitigate the risk to the extent possible.

To protect your brand, we can conduct general market survey or can conduct IPR investigations against a specific party. The misuse of intellectual property rights in India has become a common thing these days. Our offered service is rendered in obedience with the quality constraints by our very capable experts who hold rich understanding in this particular field.
