# S I Surgical Corporation

<https://www.indiamart.com/sisurgicalcorporation/>

We are uniquely positioned as one of the leading Manufacturer and Exporter firms engaged in providing high quality Surgical Instruments. We are gaining huge recognizance for the robust product quality and for our offered professional services.

## About Us

In the year **2000**, the professionally managed **Manufacturer, trader** and **Exporter** firm **S. I. Surgical Corporation** was established to bring forth innovatively developed range of Surgical Instruments. Our people are backed with the quest to find advancements in the field to bring forth an extensive wealth of modern day products which includes Anaesthesia Equipments, Hospital Bed and Hospital Trolley. We cater industry compliant product range that have gained us huge acceptance for its sturdy built, innovative designs, precise dimensions, ease of installation, user friendly operation and reliable performance. In addition to this, we are well appreciated to improve productivity of our clientele by offering professional **installation, repair** and **maintenance services** that are second to none in terms of quality compliance, pricing structure, well timed delivery and client focused approach. We also deal in **Stryker** brand. We are exporting our quality products in **East Africa, Bangladesh, Myanmar, Sri Lanka, Vietnam, Canada** and **Brazil**.

The pursuit of excellence is playing a key role in our business processes which are tightly integrated with technological advancements. Owing to our well integrated and modernized infrastructure we are rated as the most trusted entity providing finest range of furniture and equipments for medical institutes, hospitals, heart and research institutes, and nursing homes in both...
