About Us

We, at Six Moon Auto have established ourselves as a highly professional car service providers ever since our introduction in 1998. With the blessing of our Founder, Late Zarif Ahmad, and with the guidance of our their sons, Mr. Maroof Ali and Mr. Matloob Ali, we are able to provide a number of different car repair services to our clients. We boast of our well-planned services and an experience as well as trained staff, who can assist you with all your problems. We work on three ideals, which are Trust, Experience and Knowledge. Trust is highly important in our field of work, and we understand how a car can be an integral part of you and your family. Because of this, we pay extra attention to the security of the vehicle, and always take care of all sorts of small problems inside of the car. Our service gives the same amount of importance to all the vehicles while servicing and does not differentiate between clients. Moreover, with our infrastructure, which spans across more than a 1000 meters, we can proudly say that we got all the necessary equipment needed for the servicing or repair of a car. Professional Staff We got a number of teams, which specialize in different tasks. Each of our repairing team is highly familiar with the working of a car, as they have worked in this field for several years. The repair team includes of more than 25+ members, each of which cooperate with each other to provide the best possible experience to the clients. They have an expertise in...
