## About Us

S.K. Fabricators is established in the year of 2016. We are manufacturer, supplier & Service provider of Air Conditioners,

AC Ducting Work etc. The offered products are highly acclaimed due to their low maintenance, high performance, longer working life and seamless operation. Apart from this, to maintain the flawlessness of products at our patrons' premises, these are rigorously checked before delivering.

The entire range of services is world class and highly acknowledged by our patrons for timely delivery. We are known for providing these products and services as per the requirements of the customers within the allocated budget & assigned time. Also, we work very hard in order to keep the quality high and as per required level.
