About Us

Sagar K. Thakkar has been a member of ICAI since 2011.

Sagar Thakkar has his own vision, and his creativity innovative mind who believes in young professionals, and also he started his profession in his young age.

Sagar K. Thakkar enjoying with new challenges he thought his career to be a Chartered Accountant. He has done his article ship with a well know firm who were involved in diversified work portfolio of Tax Audits, Statutory Audits, Internal Audits, certifications and much more. After his article ship he started working with one more well known firm which was involved in Internal Audits. After which he went to the firm where he was doing article ship and had his own portfolio of work, further with his career he was recruited in Gulf Country in Internal Audit department with a Chartered Accountant firm which is spread over 120+ countries in the world.

After all the above achievements he implemented all his knowledge earned for the benefits of his own profession and promoted a firm S.K. Thakkar & Associates in June 2013 with an office spread over a carpet area of 500 sq feet and a latest Information Technology.
