About Us

Skilltech Office Automation was established in the year 2000. We are the Wholesaler, Supplier & Trader of Paper Shredder, Digital Photo Copiers, Fax Machines & Projector. The complete range is procured from the certified and reliable vendors, who develop those employing qualitative material and avant-garde techniques of production.

Our team of procurement agents rigorously chooses our vendors by comprehensive assessment of their developing process and vigilantly checks their quality of raw materials used and superiority of the end product. We keep on refining them on regular basis regarding the patrons' needs. Further, our long-term relationship with reliable vendors has helped us to attain an entrenched position in the market.
