We introduce ourselves as one of the most trusted companies engaged in manufacturing and exporting a wide assortment of leather wallets both for men and women. Our range is widely known for its durability, sturdiness and trendy looks.

About Us

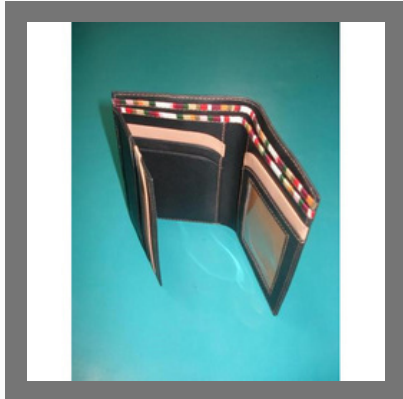

Incepted in the year 2005, we are one of the renowned companies in the sphere of manufacturing and exporting a wide range of leather wallets, men's wallets, ladies leather wallets, credit card wallets, leather gents wallets and women wallets. With our highly specialized and dedicated employees, we are able to produce customized products to suit individual requirements. We always offer our clients a lot of new varieties and collections, both machine made and hand made. We do value-additions on many of our products to give it a friendly yet versatile look. Our manufacturing unit is equipped with all the latest machines and cutting edge technology to produce products of international standards. By making use of our wide experience and sophisticated infrastructure, our skilled team of employees is able to produce superior quality products at most economical prices. We spend a big proportion of our revenues on R & D to keep up with changing environment and technology, so that we can compete with companies of global repute. To acquire utmost client satisfaction, we listen and understand their requirements and develop our range accordingly. In addition to this our strict adherence to our organizational principles helps us cater to our reputed clients in the best possible manner. Under the able guidance of our founder Mr. Zain Ather, we have been able to reach the heights of success within a short span of time. His rich experience & vast knowledge of the industry...
