About Us

S.K.N ROSE & HORTICULTURE FARM is a well known and reputed horticulture farm. We are serving environment and society for last six decades (since 1951). Our hybridization of Rose for past decade has made us pioneer in Eastern Zone of India. Today we are specialized in the following group also : - Dahlia, Chrysanthemum, Hibiscus, Bougainvillea, Croton, Special Fruit Plants for Pot-Cactus , Bulbus, Orchids, Ornamental Foliage Plant, Bonsai, etc.

We have a wide range of plants of vast colour, fragrance, decorative aspect and also their landscaping utility. Our Stock of delightful, charming, and exotic plants has made us ONE STOP DESTINATION for every Nature-Lover.

We are confident that you will feel great pleasure and will be very happy to visit our garden (nursery) and see the inmates yourself. Your chance visit would make you a frequent visitor and a patron, too.
