About Us

We are privileged in having among us one of the senior most Trade mark Attorneys of this country with more than 2-decade's practicing experiences & ISO Consultant.

SKYLINE is a Private Service Organization formed in response to market demand for a certification body with a strong customer focus where Quality of Service is a real issue, and one which does not dictate to its clients.

We are engaged in the practice of various aspects of INTELLECTUAL PROPERTY LAWS including, INTER ALIAS, PATENTS, DESIGNRIGHT, TRADEMARKS, COPYRIGHTS, GEOGRAPHICAL INDICATIONS, and handling PCT matters & COMPANY REGISTRATION.

We are also in the business of consultancy for Environment, Quality and Occupational Health and Safety Management Systems to National & International Standards, including ISO 9001 Series of Standards, ISO 14001, QS-9000 and HACCP (Hazard Analysis & Certification Control Point) through various certification bodies.

We offer professional services with promptness, care and utmost consideration at very reasonable rates, without compromising quality of work.

Skyline is a specialized team of Trademark Agents, Corporate Lawyers, Company Secretaries and Accountants. Our diversified team with extensive legal and corporate knowledge enables us to cater to the stated and unstated needs of our clients.
