## About Us

Here is a glimpse of our working environment. We use utmost superior quality machinery and expert workmanship to give our clients the products they deserve. We have been a professional and reliable supplier in the industry of Saddlery and footwear products from India, offering high quality products, goods and services. Our products are well received by our customers from all over the world. We use advanced tactics and technology to emphasize on mass and quality production. All our products are manufactured using quality raw materials and under supervision of expert managers. Most of our products are handmade and customized as per client requirements. We have a team of designers and Mould makers to ensure all our client demands are met. We have advanced equipments with 10 producing lines and Mature Management by Experienced Managers. Not only this we deal in authentic organic & non toxic raw materials. We emphasize on producing the best Eco friendly product at competitive prices. Last but not the least we have our own quality control department, each manufactured product goes through a chain of inspections - starting from self inspection, routing inspection and inspection before packaging to ensure there are no errors made.
