## About Us

Slice of Italy was founded by a group of restaurant professionals. The Team realized that there was something missing from Indian pizza chains a superior-quality traditional pizza delivered to the customer's door.

The dream was to open a pizza restaurant that would fill that void. They joined their efforts and shared the vision to create the Slice of Italy concept in 2001; our team knocked out a closet located in the up market (South Delhi's) Asian Games Village, and began selling its pizzas to the neighborhood.

As of now, we are proud owners of 17 Restaurants running across Delhi/NCR.
