Offering energy savers, home solutions, business solutions etc.

About Us

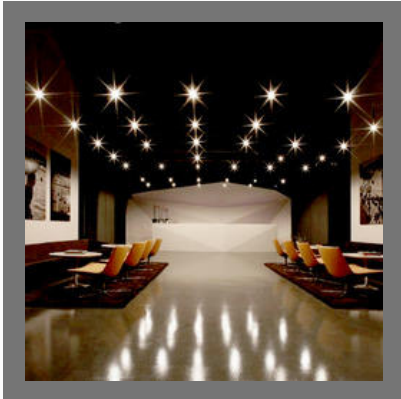

Smart Solar Homes is one of the recognized dealers of mono and polycrystalline photovoltaic (PV) cells & modules. Our high-quality PV modules provide clean and reliable solar electric power to on-grid and off-grid residential, commercial, industrial and utility scale applications around the world. With local sales and marketing offices as well as installation partners, we at KL Solar are committed to improving the competitiveness and efficiency of solar energy and developing a sustainable PV industry.
