About Us

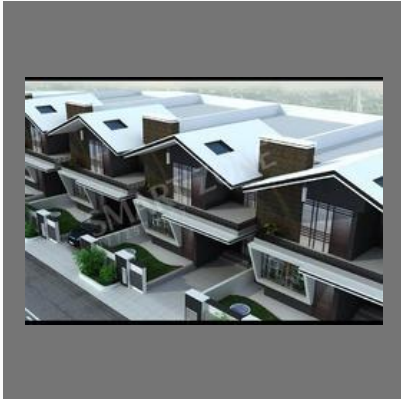

SMART ZONE is a multi-disciplinary design and architectural studio founded in 2010. We have been successfully completed several projects in India and Abroad. We are specialized in space planning and interior designing of private residences, villas, corporate offices, showrooms, restaurants, boutiques , gyms, retails , luxury hotels, resorts, farm houses and townships. We are specialized in making photo realistic 3d views and walk throughs. We rely on our professional knowledge and advanced experience in the design field to walk our clients through the process of interior refurbishment, new construction and interior finishing with exceptional customer service. We are associated with technical teams such as Electrician, Mechanics and Civil engineers, who work passionately to offer turnkey design services to a luxury, high-end clientele. With years of versatile field experience of India and abroad we provide our clients with the most cutting-edge designs and cost-effective solutions. Using the finest materials, latest innovations and the most precise craftsmanship. We deliver projects that are designed to exceed clients' expectations.
