We are the leading manufacturer, supplier and trader of a wide range of chimneys which our customers use extensively. We provide services on chimney fabrication and chimney erection. Our company has the very best reputation in this business.

About Us

Incorporated in **2011**, **S.M. Enterprises** is the very best in the current chimney market of today. Situated in **Chennai, Tamil Nadu**, we have been the unconquered leader in this evergreen business. We have come a very long way through these years to reach the top. Our company manufactures, supplies and trades different ranges of chimney like **Commercial Chimney, Traditional Chimney, IFB Electric Chimney, Designer Chimney, Elica Electric Chimney, European Chimney, Home Chimney and Gas Chimney**. All our items are very much in demand all over India. We have adapted to the changing styles and demands and we have customised our products in that way only. They are all very beautifully designed and they are all not at all harmful to the environment. All the fumes are very much filtered before they are released out in the air. Our products are all quality tested and match the reigning standards. **We are a Sole Proprietorship company**. A very able team of 11-25 employees is the strongest support of our company. They are all very much dedicated and skilled. These are some of the reasons why we have a very large customer base. This fact derivatives the annual turnover of **50 Lakh INR** which we have achieved after the hard work we perform all through the year. We had a very promising start and we also have a very promising future. The business policies of our company are so aptly designed as to protect this company from any type of economic backwardness....
