About Us

We at Smile Software in strategic alliance with eMahiti and Globus Solutions (jointly known as MGS) have a mission to achieve and sustain a market leadership position in our core business. We believe our long-term success depends on our ability to deliver excellence in both perceived and realized value of our software solutions and services to our customers. In our culture "Quality is everything we do" is the only acceptable behavior.

The mixture of professionals experienced in US as well as in India is aimed at producing a combination, which can be very cost effective, at the same time does not compromise on quality, communication and timeliness of the work.

We have excellent technical, marketing and management expertise. With more than 14 years of management experience & more than 18 years of technical experience in USA and equivalent experience in Indian software industry.

We specialize in providing complete IT solutions in the area of customized ERP, MRP, Web based applications, Business Intelligence, Data warehousing and EDI tools, Simple to the most complex e-Commerce website development. We also provide services for Business analysis and Project Management.

The processes of Continuous Improvement and Total Quality Management are essential to our success.

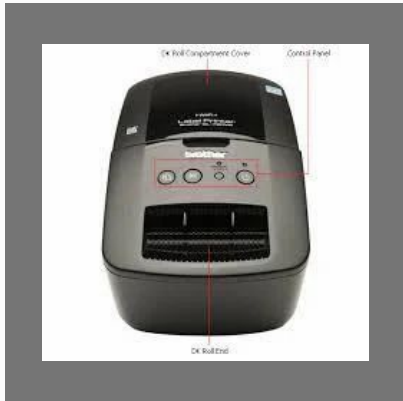

We will develop and sustain our quality system emphasizing total employee involvement, teamwork, break-through thinking, judicious resource allocation, creative problem solving, constancy...
