We are one of the leading manufacturers, suppliers and exporters of exclusive quality Sanitary Wares. All the products that we offer are reckoned for their robust construction, durable nature, smooth surface and dimensional accuracy.

## About Us

Established in the year **1976**, we, "**Smruti Pottery Works**", are engaged in manufacturing, supplying and exporting **Sanitary Ware**. With the help of our comprehensive range, we are catering to the requirements of construction and building industries. These durable products enhance the look of bathroom, where these are installed. Our enterprise leaves no stone unturned for completing the demands of patrons.

Our firm owns a well-developed infrastructure, which is installed with equipment of advanced methodology. With the help of this ultra modern unit, we have been able to meet the immediate requirements of our esteemed clients. Due to the industrious efforts of our teammates, we have been able to complete the assigned tasks within the promised time frame. By means of our superior quality products and transparent business practices, we have mustered a widespread market across the country.

We are a part of SPW group involved in manufacturing, supplying and export of all kinds of **Sanitary Wares**. Under the active guidance of our mentor, "**Mr. Ashwin Maru**", we have lifted our flag of success in the domain. He holds detailed knowledge and rich expertise in the area of sanitary products.
