## About Us

Snehal Auto Parts is an established name in automobile spare parts industry. We stand proudly amidst the leading manufacturers, suppliers and exporters of Automotive Brake Shoe, Brake Linings and Disc Brake Pads. Our vast experience and qualitative approach has made us a prominent and trusted business entity. We work in accordance with the set ISO 9001-2008 standard norms and manufacture products as per O.E standards. We pay attention to every aspect of Quality for delivering unmatched products and services.

Our competence to serve clients with excellence and satisfying customers to the fullest helps us in strengthening our foothold in the market. Our ethical business policies and timely delivery services has played a key role in extending our roots to the countries like Bangladesh and China. We have also added leading names like Bosch Chassis System India Ltd. Jalgaon, Bajaj, Maruti, M&M, Atul Auto and Piaggio to our clientele list. We endeavor to maintain cordial relations with the clients in the long run.
